

Clinical Psychologist

About us:

Established over 25 years ago, Medcan is a global leader in assessing clients' overall well-being and inspiring them to live well. Medcan has a comprehensive range of diagnostic assessments, which, in combination with innovative programs tailored to specific needs, are designed to successfully reach improved health outcomes. Over 65 physicians and specialists, alongside a broad roster of complementary health care disciplines, provide health and lifestyle management services on site and by video consult for individuals, families and organizations. Our team of 350 staff see clients physically and virtually from our downtown Toronto location.

The Role:

Medcan is recruiting for 1-2 licensed Clinical Psychologists to join our high-performing and fast growing team of clinicians within our Live Well- Mental Health program. The Clinical Psychologist will have the opportunity to see clients for ongoing care in private practice.

Key accountabilities include:

- Conducting independent psychological assessments; providing diagnoses and recommendations for ongoing treatment as appropriate
- Developing and communicating client-centered treatment plans that meet both client goals and address the client's psychosocial and behavioural challenges
- Providing empirically validated treatment measures; training and experience in Cognitive Behavioural Therapy an asset
- Collaborating with the client's existing treatment team to coordinate care
- Maintaining documentation as required

The Requirements:

- Ph.D. in Clinical Psychology or Psy. D
- Current registration in good standing with the College of Psychologists of Ontario
- Minimum 3-5 years clinical experience with adults, preference working with executives
- Declared competency in Health Psychology an asset
- Demonstrated skills with cognitive-behavioural treatment of adults and/or other effective evidence-based practices
- Superior organization and time management skills
- Excellent written and verbal communication skills
- Strict adherence to the College of Psychologists of Ontario's Standards and Professional Conduct
- Professional references

The role reports to the Director, Product Management with clinical oversight from our Director, Psychology.

The position offers an attractive compensation plan and a genuine opportunity to grow at one of Canada's 50 Best Managed Companies.

Qualified applicants are invited to apply to apply with a resume and cover letter to mandirasharma@medcan.com.

We thank all applicants for their interest; however only those selected for an initial Skype Video or telephone interview will be contacted. No phone calls and no agencies please.
