Psychologist – Full Time (35 hours per week)

Moss Psychology Professional Corporation

Location: Belleville, Ontario

We are seeking a registered Psychologist to provide clinical services to our wide client base, in a private practice setting.

Located in the Quinte Region, within easy access of both Toronto and Ottawa and beautiful Prince Edward County, the area offers many amenities and leisure opportunities.

If you are interested in delivering varied psychological services in a vibrant private practice dedicated to providing a high quality service to a wide variety of clients, then we would encourage you to apply.

The role includes working alongside an existing Psychologist and Psychometrist in a busy community based private practice. Being located in close proximity to Canadian Forces Base Trenton, the practice receives many referrals from both active military and veterans, as well as it's rapidly growing civilian population.

The successful candidate will be responsible for performing psychological assessments and interventions across the age range. They will also have opportunity to provide clinical supervision and have supervisory responsibility for non-licensed clinicians working into the service.

The successful candidate will be able to demonstrate an ability to provide comprehensive psychological services including assessment, treatment and consultancy. They will have experience in utilizing standardized assessment measures and procedures and an ability to provide comprehensive written assessment reports and diagnostic evaluations. They will have a proven track record of providing psychological therapy to a wide range of individuals across the age range and clinical presentations.

Moss Psychology fully embraces diversity and teamwork and the Psychologist will be able to demonstrate values that align with this philosophy. In addition, the Psychologist will comply with all applicable laws and regulatory requirements of the College of Psychologists of Ontario.

Qualifications:

Registered in good standing or be eligible for registration as a Psychologist or Psychological Associate with the College of Psychologists of Ontario.

Minimum 3 years' experience in working in a community setting across the age span and with diverse clinical presentations.

Knowledge and experience of working in a range of treatment modalities.

A proven ability to provide culturally sensitive services to clients of all ages, backgrounds and identities.

Able to work responsibly and independently in a fast-paced, growing practice.

Additional to Master's or Doctoral training in Clinical Psychology, hold additional qualification/certification in a recognised and validated treatment modality, e.g. Eye Movement Desensitization and Reprocessing Therapy, Cognitive Behavioural Therapy, Family/Systemic Therapy, Emotion Focussed Therapy.

Excellent organizational, interpersonal and oral/written communication skills are essential, as is a previous track record and ongoing motivation for engaging in continuing professional development.

Three work related references will be required prior to commencing the position. As a condition of employment, the successful candidate will be required to submit a current and original Criminal Record Check and a Police Vulnerable Sector Check from the police jurisdiction in which they reside. Candidates are not advised to obtain this document prior to an offer of employment.
