At the Limestone District School Board, rated one of Canada's top 100 employers by Forbes Magazine, we pride ourselves in working with our educators, support staff, students, parents, trustees and community partners in a team-oriented environment. We are committed to the success of every student and every employee and it is therefore our goal to improve achievement, ensure equity, maintain work-life balance and enhance engagement. We offer our employees a comprehensive total reward package that retains the very best! We are proud to be a community leader and take pride in representing Kingston and the surrounding area as one of the best employers. To this end, we are seeking applicants that will represent our Board and community with the same values we share.

Description of Position:

Reporting to the Principal of Educational Services, the Registered Psychologist/Registered Psychological Associate provides a comprehensive consultation service to Board Staff, students and parents, and facilitates liaison with families and community agencies.

As a member of the Educational Services Team, you will conduct individual psycho-educational assessments of students who are experiencing difficulty functioning within the school setting and investigate possible learning and/or social-emotional disorders and formulate/generate suggestions for intervention strategies for students with special needs.

As a Registered Psychologist/Registered Psychological Associate you will also provide as part of a team crisis intervention support and suicide intervention support as well as assist in the development and implementation of early intervention and preventative programs for individuals and groups. Additionally, you will be called upon to support district wide initiatives, including professional development for school staff and support.

Required Qualifications & Skills include:

- Masters or Doctoral Degree in Psychology and current registration with the College of Psychologists of Ontario in good standing or eligibility for registration
- Experience and background in the areas of diagnostic assessment, counseling, crisis management/intervention and consulting and school psychology
- Excellent communication, interpersonal, and problem solving skills
- Must have a valid driver's license and consistent use of a vehicle for travel throughout the district

Interested, qualified candidates must apply on-line at www.applytoeducation.com to complete the on-line application for this job posting.

The following documents must be included in your on-line application package:

- Cover letter (addressed to Debbie Cadue, Support Staffing Specialist)
- Resume
- Copy of Qualifications i.e. Degree

Application packages that do not include all of the documentation noted above will not be considered.

The Board will not accept any application packages which are not submitted through applytoeducation and are not specifically attached to this job posting.

The deadline for applications is noon on August 12, 2019

- Please ensure that you apply directly to this job posting on the applytoeducation site. Please note that if you have already registered with applytoeducation, you will still need to specifically apply to this job posting, in order to be considered for this competition.

Accommodations will be provided to applicants to enable equitable participation in the recruitment process.

This posting is listed under Management & Professionals on the ATE website.

INTERVIEWS WILL BE HELD THE WEEK OF AUGUST 19, 2019.
