

Clinical Psychologist for Assessment Services

[www.lifecarecentres.com](http://www.lifecarecentres.com)

LifeCare Centres Counselling and Psychological Services is a young and growing organization, providing high quality in person and virtual psychological and psychotherapy services. Our mission at LifeCare is to reach deeply into our surrounding communities to provide hope and help with real life solutions to real life problems.

LifeCare Centres is composed of a growing team of highly trained and compassionate psychotherapists. We currently have 3 locations in the Durham and Northumberland region with 25 exceptionally supervised therapists supported by an outstanding client care administration team.

To meet the needs associated with our growth, we are looking for a Clinical Psychologist to join our team to be the lead in psychological consultations and assessment services.

Please forward your resume to Scott Armstrong at [sarmstrong@lifecarecentres.com](mailto:sarmstrong@lifecarecentres.com) and Lynda Morgan at [lmorgan@lifecarecentres.com](mailto:lmorgan@lifecarecentres.com).
