

We Are Hiring Another Psychologist/Psychological Associate!
Service Areas: Huntsville, Muskoka, North Bay, Timmins or Sault Ste. Marie

Position Summary

Brainworks is once again expanding our psychological services! We are looking for a full-time psychologist or psychological associate to join our award-winning team. A part-time position would be considered for the right candidate. Due to continued growth, the position is available in any of the following areas: Huntsville, Muskoka, North Bay, Timmins or Sault Ste. Marie. Brainworks' main office is located in Huntsville, with consulting offices available in North Bay, Timmins and Sault Ste. Marie. As a psychologist or psychological associate at Brainworks, you will be involved in assessments, counselling, and treatment in office and/or client homes. Collaboration with and consultation to a team of professionals is integral to the work we do.

Registration (or eligibility for registration) with the College of Psychologists of Ontario is required, with competency in clinical, rehabilitation, counselling and/or neuropsychology. Experience with brain injury, PTSD and/or pain management is a definite asset. Excellent written and verbal communication skills are mandatory. A working knowledge of Ontario's insurance-funded treatment systems is preferred. Seasoned and early career psychologists alike are welcome to apply. Experienced clinical supervisors are available for those on the temporary register, with primary and secondary supervisors readily accessible. Clinical, administrative and IT support is on hand for all team members.

Remuneration

- Competitive salary
- Employee and Family Assistance Program
- Potential for relocation funding
- Education benefits
- Extended health and dental benefits

Who are we?

Brainworks is an award-winning medical rehabilitation firm currently celebrating our 15th year of service. We offer psychological, neuropsychological, social work and rehabilitation therapy services in client homes & communities, via travelling clinics, and in office.

Founded in 2003, Brainworks is a client-centred medical rehabilitation firm focusing on cognitive, behavioural and psychosocial treatment and assessment. Managed from its office in Huntsville Ontario, Brainworks provides direct rehabilitation services throughout "the near north" and beyond. Innovative and secure eRehabilitation™ programs, including a multidisciplinary pain coaching program, reach clients in the most remote areas of the province. Creative injury awareness campaigns, administrative and clinical excellence, support to the community and outstanding reputation with both clients and peers have resulted in local, provincial, national and even international recognition fourteen times since 2013.
