

At the Dr Caffrey-Craig Clinic we are seeking an experienced Psychologist or Psychologist in Supervised Practice to join our expanding and progressive team. We have an exciting opportunity for you to work at our private clinic at Village Centre Court, Mississauga.

Attractive remuneration

- \$110 to \$140 per clinical hour billed. This is negotiable dependent on your experience, training, qualifications and skill diversity.

Qualifications and Experience

Required

- Psychologist is registered with the College of Psychologists of Ontario
- Supervised Practice may be offered to experienced practitioners eligible for registration with the College of Psychologists of Ontario
- Experience of working with a wide range of presenting difficulties of varying severity.
- Competent in at least two psychological models one being CBT or third wave psychotherapy model and formulation based intervention.
- Evidence based practice
- Attend to continual professional development
- Excellent interpersonal skills, adaptable and team player
- Experience in risk assessment and maintain up-to-date clinical notes
- Professional Indemnity insurance

Desirable

- Mindfulness training and experience
- Collaborative, client-centred, and compassion focused core values
- A licence to work with either adolescents, families or adults
- A licence to work with couples an asset, although not a requirement
- Minimum 2 years post qualification work experience in mental health

Please forward a covering letter and resume to drbernadette@drcaffreycraigclinic.com
