

Psychologist/Psychologist in Supervised Practice

Garden City Psychology

Location: St. Catharines, ON

We are currently looking for a new member for our clinical team. The position is flexible and can be full or part-time, and work around existing commitments. Clients include children, adolescents, adults and families (supervision for couples therapy and therapy with seniors not offered). Training and supervision in Cognitive Behavioral Therapy, Dialectical Behavior Therapy, Acceptance and Commitment Therapy, and Cognitive Processing Therapy available. Mentoring related to opening a private practice is also offered; some associates have chosen to stay working within the practice and others have successfully opened their own practices when they felt ready to take this step.

Required Qualifications:

- Successful completion of an M.A., Ph.D. or Psy.D. in clinical or counselling psychology
- Significant experience providing therapy and conducting assessments
- Well-developed professional writing skills
- Professional demeanor
- A strong working knowledge of complex ethical and legal issues
- Excellent organizational skills

Compensation is based on licensing status. The successful candidate will have the option of buying into the practice's health insurance plan.

If interested, please send a resume and cover letter to Dr. Andrea Miller at careers@gardencitypsychology.ca. References and a Vulnerable Sector police screening will be required prior to a position being offered.

If you have any questions, please feel free to contact our office.
