### Experience & Qualifications:

The successful individual will possess a Master's Degree or Doctoral Degree in psychology and will be registered with the College of Psychologists of Ontario as a Psychologist or Psychological Associate, or be on track to achieve such registration. Supervision and training can be provided.

### Position Details:

Dr. Jeff Phillips and Associates, located in North Bay Ontario, is a well-established private practice that provides a comprehensive array of services to adults, children, families and organizations within the city and surrounding areas of the province. We pride ourselves in being person-centred, community oriented and holistic in our outlook. We strive to make a difference and we do.

An opportunity exists for a conscientious, ethical, skilled, and people oriented professional to join the practice as a full partner. You will have access to an existing client base and a well-resourced service delivery system and office, staffed by dedicated and collegial professionals. Opportunities exist for provision of consultation, assessment, treatment, supervision, public speaking, and workshop development and delivery services. The ideal candidate is a personable team player who communicates effectively and is willing to lead in empathic and confident fashion.

**Services areas within the practice from which to choose:**

Clinical	Neuropsychological	Psychoneuroimmunology
Educational	Vocational Rehabilitation	Forensic

**BONUSES:**

With our clinic location in beautiful North Bay, there is access to many other opportunities of personal, family, and professional nature:

A teaching university and college environments: Nipissing University and Canadore College

Military and Veterans communities

Four distinct and beautiful seasons

A strong sports and athletic community for all levels of skill

A large and thriving arts community

Limitless outdoor activities – two downhill ski centres, multiple cross-country ski centres, water sports, hiking, hunting, fishing, camping, again unlimited

Well planned, attractive and safe neighbourhoods

Broad ranging health services

Parkland and wilderness space

Access to both rural and urban life

Multicultural exposures

Historical richness

Waterfront residential property

Home of the Dionne Quintuplets, Ringette, and the first Tim Hortons

Good transportation resources – Air / Bus / Automobile

**Access to other centres:**

Toronto – 4 hours on divided 4 lane highway or 50 minutes via air

Ottawa - 4.5 hours by highway or 60 minutes via air

Sudbury – 1.5 hours by highway or 30 minutes via air

In essence, this is an opportunity for the professional who wants to pursue an independent practice of unlimited possibility surrounded by pre-existent business development, referral base establishment, great people and a welcoming and enjoyable community where individuals make differences and the results of one's efforts can be seen. This is an invitation to work with a team of people who sincerely love what they do.

Come innovate, create, inspire and enjoy.
