

Make the Connection: Birth to One and One to Two Training Workshops

May 31st to June 2nd, 2017
TORONTO, ON

MAKE THE CONNECTION (MTC) programs put attachment theory into nine fun and purposeful sessions. Caregivers learn what babies need to form secure attachments, practice with their baby/toddler and reflect on their parenting role.

MTC 0-1 and MTC 1-2 Workshop Details

WHO CAN ATTEND: staff with an educational background and/or working experience with infants and toddlers. Prior experience leading parenting groups is an asset. We recommend that 2 staff from one agency (or partner agencies) co-facilitate MTC programs.
