

## Halton Psychologists

Halton Psychologists (HP) in Milton is an established and growing practice of psychologists providing consultation, assessment and treatment services to children, adolescents and families with a wide range of presenting concerns. We value a collegial atmosphere that offers opportunities for growth.

HP is seeking to hire an additional Psychologist (part-time or full-time hours) to our expanding practice. The successful candidate must possess:

- Doctorate in School and/or Clinical Psychology
- Experience working with children, adolescents and/or families with various presenting problems
- Experience conducting comprehensive psychological assessments
- Experience in providing a range of treatment approaches
- Excellent case conceptualization skills
- Excellent interpersonal, communication and organizational skills

Supervision is available to any candidates who are in post-doctoral (supervised) practice. Hours are flexible and remuneration is competitive. Interested applicants please forward your CV or email questions to [psychdocs@gmail.com](mailto:psychdocs@gmail.com)

Dr. Shonna John & Dr. Paulo Pirzs
