Child & Adolescent Psychologist/Psych. Associate

ACCESS Psychology is a multi-disciplinary private practice offering psychological assessment & treatment, counselling, speech-language, occupational therapy & dietician/nutritional services to children, adolescents and their families in the Durham Region. Our practice is rapidly growing and we are currently looking for a psychologist or psychological associate to join our dynamic team of professionals. Registration or eligibility for registration with the College of Psychologists of Ontario and experience providing therapy to children and adolescents is required. Experience working with children diagnosed with Attention Deficit-Hyperactivity Disorder and/or Autism Spectrum Disorder is an asset. Play/Art Therapy training is also an asset. Client population includes ages 3-21. Flexible hours and work schedule as well as team consultation and supervision is provided within a positive, professional work environment. Position is part-time with potential for full-time hours.
