
Position Title:	Health Psychology Instructors (PSY203i, PSY303) <i>Please note: The applicant may apply to one or more of the courses listed</i>
Available:	Spring Term: May 2018 – Tuesdays, 9:00 am to 11:00 am (PSY203i) Fall Term: September 2018 – Tuesdays, 12:00 pm to 2:00 pm* (PSY303) *Subject to change
Applicant Deadline:	February 12th, 2018

CCNM is currently seeking enthusiastic, professional individual(s) for two **Health Psychology Instructor** contract positions. The PSY203i and PSY303 courses are two of three sequential Health Psychology stream courses. Together the courses allow students in the Naturopathic Medical program to develop, integrate and apply select psychotherapeutic techniques into the overall naturopathic treatment plan especially in the treatment of cognitive, emotional or behavioural dysfunction.

The **Health Psychology II - PSY203i** course is designed to help the student achieve basic competence in mental health assessment, interviewing skills and developing a therapeutic alliance. **The Health Psychology III - PSY303** provides the opportunity for the student to hone their ability in assessment and case formulation, diagnosis of common mental health conditions, and select psychotherapeutic/interviewing skills.

Qualifications

- Healthcare professional registered in the province of Ontario (ND, MD, Psychologist, Psychotherapist, Psychiatrist, counsellor)
- Demonstrated interest and practice focus on Health Psychology
- Graduate level training in Clinical psychology, Counselling and/or Social work
- 2 years of teaching experience and 5 years of clinical experience
- Ability to motivate and engage students
- Proven organizational and time management skills with ability to direct concurrent activities
- Demonstrated ability to train and monitor a team of Teaching Assistants is an asset
- Training in teaching methodology, competency based curriculum design and assessment is an asset

The Canadian College of Naturopathic Medicine (CCNM), established in 1978, is Canada's premier institute for education and research in naturopathic medicine and the graduates of its intensive four-year post-graduate medical program are recognized for regulation/licensure in all Canadian and American jurisdictions in which naturopathic medicine is regulated. CCNM is a registered charity dependent upon tuition, research grants and donations for the fulfillment of its mission. The College occupies an attractive 4.3 acre campus situated at the Sheppard and Leslie subway stop, across from North York General Hospital. CCNM provides an attractive work environment for those who value good health and who enjoy working in a positive creative atmosphere.

To Apply: Submit your resume with a covering letter to:
Human Resources Department
