

## **PRIVATE PRACTICE OPPORTUNITY - OTTAWA**

### **Job Summary**

We are expanding our practice and looking for a Psychologist (licensed or in supervised practice) or Psychological Associate (licensed or in supervised practice) who is passionate about working with children, teens, parents and families. Matheson Psychology provides psychological services and assessments for children and teens struggling with a wide range of challenges including learning difficulties and exceptionalities, divorce, depression, anxiety, ADHD, behavioural challenges, bullying, trauma and social withdrawal. Please visit [www.mathesonpsychology.com](http://www.mathesonpsychology.com) for more information about our practice.

We are willing to provide supervision to those registering with the College of Psychologists of Ontario.

### **Qualifications and Skills**

- [Ph.D.in](#) clinical psychology from accredited university (or equivalent)
- Licensed for clinical practice (autonomously or with supervision) in the Province of Ontario
- Two (2) years of experience providing psychotherapy (incl internships).
- Available for full time or part time, flexible hours. Full time hours available..
- Solid theoretical foundation and knowledge in evidence based practice with children and families
- A history of building strong relationships with clients and community partners
- The ability to identify and understand complex needs of individuals and children
- Proficiency in conducting psychological, educational and learning assessments
- The ability to work independently with children, parents and families
- The ability to collaborate with schools, physicians and other professionals

We offer competitive rates & benefits commensurate with experience.
