Oshawa Psychological & Counselling Services (OPCS) was established in 2006 and is looking for Clinical Psychologists working with Adult and/or Children. OPCS offers psychological /psycho-educational assessments and intervention, psychotherapy and counselling. OPCS consists of over 20 Psychologists who have a breadth of knowledge and experience in various areas of practice.

OPCS has great credibility and continues to grow and expand. In 2008 a satellite office was opened in Markham and in 2009 The Oshawa Psychotherapy Training Institute (OPTI) opened which offers a variety of essential courses facilitated by seasoned professionals.

Candidates must have Doctorate (Ph.D. /Psy.D.) training in Clinical Psychology and registration for autonomous or supervised practice status with the College of Psychologists of Ontario with related clinical experience. Candidates with competency or interested in supervised training in Rehab Psychology, Couple Therapy or DBT Therapy are preferred.

To support the clinicians, OPCS offers clinical consultation, supervision and training in their psychotherapy and counselling practices, as well as supervision for clinicians who are pursuing specific professional credentials (e.g. registration requirements for Psychologists and Clinical Membership and Approved Supervisor Status with American Association for Marriage and Family Therapy (AAMFT)).

If you would like to be part of a professional growing practice that provides the following:

- Warm and inclusive peer working environment
- Strong administrative support team
- Comprehensive testing library and computer scoring systems
- Computerized client file system
- Ongoing clinical support and professional development opportunities
