

### **About this opportunity:**

We are looking for talented and passionate Clinical Psychologists to join us at HealthOne Medical Centre in North York and Toronto. In this role, you will work as a member of an inter-professional team to provide a broad range of mental health assessment and treatment services for patients of our clinic.

### **Responsibilities:**

- Provide 1 to 1 counselling (and/or other mental health) services for patients with a wide range of issues
- Provide clinical assessments and develop recommendations
- Ability to administer various psychological assessments, while listening with empathy to your clients
- Manage your administrative records and maintain required clinic documentation
- Participate in program development and evaluation activities
- Participate in mental health advocacy talks and workshops

### **Required Education, Skills and Qualifications**

- Registered Clinical Psychologist currently licensed by and in good standing with the College of Psychologists of Ontario
- Strong clinical assessment and treatment skills as proven based on previous experience in a similar role
- Ability and desire to work independently & collaboratively as a team in our inter-professional clinic, ultimately keeping the patient's goals in mind
- Charismatic and able to empower patients to make positive choices
- Solid communication & interpersonal skills, resourcefulness, and self-motivated nature
- Warm, approachable and client-centered professional
- Able to work a flexible schedule to meet patient volume demands

### **About HealthOne Medical Centre:**

HealthOne Medical Centre has been proudly serving Toronto for the past 7 years. We offer complete health care solutions for the whole family including family doctors, walk in clinic, wellness, mental health, cardiology, dental care, optometry, physical rehabilitation and much more. Our licensed professionals are dedicated to each patient and will provide the most comprehensive and quality medical services in a modern, clean and caring environment.

At HealthOne we truly believe in holistic health care and would like to offer our patients a wide variety of treatment options to maintain and increase their well-being. We are deeply committed to providing personalized health care services through an integrated approach to help patients achieve optimal health.

We are motivated to build a strong, long-term partnership with the right candidate and offer exciting growth opportunities.
