Let It Go Psychological Services

Location: Oakville, ON

Join our uniquely child-friendly and family-oriented private practice dedicated to providing evidence-based psychological treatments to children aged 0-19 years old and their families. At Let It Go we focus on CBT and other related evidence-based psychological therapies (attachment, DBT, EFT, and family systems).

We welcome applications from friendly, energetic, and well-trained clinicians!

Let It Go offers its associates: Flexible working hours, excellent remuneration, and varied caseload matching the skills and preferences of the clinician. Electronic online system accessible anywhere you are, outstanding administrative support (to handle all scheduling, client inquiries and day-to-day administrative needs). All offices have windows with lots of natural light. Free parking, staff kitchen, and minutes away from coffee and food shops.

Clinical supervision for working with children, adolescents, and families is available.

Interested in joining our team at Let It Go? Please send your CV and cover letter to Dr. Clarisa Markel, Clinic Director at cmarkel@letitgopsych.com

We look forward to hearing from you!
