

St. Joseph's Healthcare Hamilton, Community Psychiatry Clinic, is currently hiring for a full-time psychologist position in the Borderline Personality Disorder Service. We are accepting applications for a psychologist to join our multidisciplinary, collaborative team of nurses, social workers, occupational therapists, psychotherapists, psychologists, and psychiatrists. The ideal candidate will have experience with DBT, CBT, and trauma-based therapies (e.g., CPT, PE), experience in assessment of complex diagnostic presentations, and be registered with the College of Psychologists of Ontario with competencies in Adult and Clinical. Additional previous experience in working with concurrent disorders would be considered a significant asset. There are ample opportunities for clinical supervision of professional staff and students (practicum, psychology interns, psychiatry residents), as well as avenues for a faculty appointment with McMaster University. We also have a number of exciting research and program evaluation initiatives ongoing and welcome this new psychologist to take part in contributing to ongoing projects as well as creating his/her own niche area.

Interested applicants should send a cover letter and CV to Elisha DeKort, Manager at edekort@stjosham.on.ca
