

*To be advertised in Association of Chief Psychologists and Ontario Psychosocial Association*

The Simcoe County District School Board (SCDSB) is accepting proposals from Psychological Service Providers (PSP) who will conduct one or more of the following types of assessments on students of the SCDSB.

- Psychoeducational Assessment (PA)
- Risk Assessment (RA)

The objective of this pre-qualification process is to identify PSP's that will become Vendors of Record. Vendors of record will be contracted to perform Psychological Assessments for the SCDSB. Assessments are diagnostic in nature, where appropriate, and will be of high quality to support programming to enhance student achievement and well-being.
