

Part-time or Full-time Psychologist/Psychological Associate

Bhatia Psychology Group

We are looking to hire a compassionate, caring, and client-centered Registered Psychologist or Psychological Associate who is team-oriented and motivated to grow his or her client base.

We offer a collaborative environment with a team of other clinicians with whom to consult and receive support. Benefits include targeted marketing to help fill up your caseload, supervision as requested, and a flexible schedule.

The job will require the ability to conduct evidenced-based individual therapy, along with psychological assessments. We also have a growing child and adolescent therapy division for applicants with related experience and training.

Required Education

The candidate must be a Registered Clinical or Counselling Psychologist or Psychological Associate with the College of Psychologists of Ontario (CPO). Only candidates that are fully registered with the CPO will be considered.

Qualifications

- Minimum Masters Degree in Psychology from an APA and CPA accredited university with at least three (3) years of experience as a Psychologist/Psychological Associate
- Member in good standing with the College of Psychologists of Ontario (CPO)
- Experience and knowledge of the DSM-IV/V
- Skilled in report writing, written and verbal communication
- Training in evidenced-based models of psychotherapy, including Cognitive Behavioural Therapy (CBT)
- Ability to work in a dynamic and flexible work environment with the capacity to travel to different offices as needed
