Nearly every day

Feeling nervous, anxious or on edge? Not being able to stop or control worrying?

## Start your private practice with the EHR built for mental health professionals in Canada.

- ✓ **Make Client Interactions Effortless and Effective.**  
Make clients feel at ease with reliable video telehealth, secure messaging and templated notetaking that doesn't eat into session time.
- ✓ **Easily schedule and reschedule appointments.**  
Starting therapy is hard – but with Owl, booking appointments, completing intake forms, and getting SMS or email reminders are easy for clients. We also have Google Calendar sync!
- ✓ **Improve your clinical decisions with powerful data insights.**  
Our 85+ built-in mental health clinical measures give you the tools to provide evidence-based, insightful care.
- ✓ **We're built for mental health.**  
Don't pay for features built for massage therapists and physios. With Owl, our focus is solely on mental health professionals so you can feel confident that all our development benefits you.
- ✓ **Keep on top of your tasks**  
Owl Practice organizes all the administrative tasks you need to accomplish for your practice workflows that make it easy to check off your to-do's and stay organized.
- ✓ **Be part of a strong community in Canada.**  
As the leading mental health practice management software in the country, you'll get the chance to connect with peers locally and nationally.
