Basic Training

WINTER 2025 ONLINE TRAINING

Elevate EMDR Academy is dedicated to supporting therapists on their EMDR journey starting with a solid foundation developed at Basic Training. This program features 2 parts, plus 10 hours of group consultation. Days will consist of lecture-based instruction and hands-on practicum sessions which cover the foundation of EMDR therapy and advanced treatment planning (e.g., complex trauma, pain, recent events).

EMDRIA-approved trainer: Dr. Kelly Penner Hutton, Ph.D, C.Psych

This training exceeds EMDR International Association (EMDRIA) standards for EMDR training and meets EMDRIA requirements for becoming an EMDR Trained Clinician.

Part 1 - January 17, 18, & 19, 2025

Part 2 - March 7, 8, & 9, 2025

Group Consultations - 10 hours, TBD
